

Seneschal

- Plan for meetings going forward: we will have officers do reports and then do a Q&A session to try to cut down on tangents and interruptions when presenting
- Lilly de Rohan was presented with her AOA which was given at Clothier's Seminar 2024
- *Insert Inspirational Speech here* - highlights are that we can do anything we want, the sky's the limit; let's make the changes we want to see in the SCA and Calontir

Exchequer

- Reached out to the Kingdom Exchequer to continue the process
- We voted on using US Bank in Spencer pending further research on fees for an account
 - The reasoning for using US Bank is that it is a national bank and therefore if the group needs access in a different area there is the possibility there will be a branch available
- Make sure you are aware of the new prices for membership and non-member fees at events, both have increased
 - Being a member now requires you to go to 6 events a year to save you money rather than 9
 - There is a fund available to assist folks with getting memberships, you apply on the SCA corporation page

Herald

- Michelle (Mustard Bard) has a badge being decided
- Torstein has his name being decided

Knight's Marshal

 - Rohan needs to fill out paperwork to be a marshal in training
- Omaha (Barony of Lonely Tower) invites us to practice with them (both heavy and Steele)

- There are 9 weeks until Queen's Prize
